

# **PRIVACY POLICY**

**LAST REVISED: March 1<sup>st</sup>, 2017**

This Privacy Policy details that the TeamUhuru app (or “we) collects, shares, uses, and discloses with respect to the use of TeamUhuru application. TeamUhuru reserves the right to change the provisions of this Policy at any time for any reason. If we make any changes to our privacy practices, we will post a revised Privacy Policy on this page, as well as the effective date of the change. Please review this Policy from time to time to make sure that you understand it and any changes. This Privacy Policy may change at any time. By accessing or using the mobile application, you accept the terms of this Privacy Policy.

## **1. What is Personal Information?**

For purposes of the use of TeamUhuru mobile application, Personal Information means information that specifically identifies and individual, such as their name, address, cell phone number, email address, identification number as well as information about your activities on this site when it is linked with other information that would enable a reader to identify you. Personal Information does not include aggregate data that we collect about the use of our TeamUhuru app, or about a group or category of services or users, from which identifying information about the user has been removed. The collection of such aggregate information is in no way limited or restricted by this policy.

## **2. Information about others**

We may access, collect, and store personal information about other people that is available to us through your contact list and/or address book. The mobile app allows users to complete contact information for entries on their contact list/address book, match their information with information available from other sources, and identify issues of interest. To revoke your consent for this access, you can change the settings on your device if that option is available, delete your profile, or delete or uninstall the mobile app from your device.

## **3. Use of your information by others**

Excluding as detailed below, we will not share your personal information with other organizations or companies. The kind of information we make available to other organizations depends on the nature of our association with them. Case in point in which we would share personal information include:

1. Associated Organizations: We may share your information with other groups, causes, organizations, campaigns or political organizations that we believe have comparable principles to us.
2. Analytics Entities: We allow analytics entities to use tracking technologies to collect information about our users’ mobile devices or computers and their online activities. These entities analyze this information to assist us understand how our apps and sites are being utilized. Analytics entities may use mobile device IDs, as described in the paragraph below (“Mobile device IDs”) and unlike cookies, device IDs cannot be deleted.
3. Service Providers: We may share all of the types of information we collect with consultants, vendors or service providers who provide services to us and also might require access to such information to carry out their work.
4. Mobile device IDs: In order to store your preferences, to recognize you, and track your use of our application, we may store your mobile device IDs (the unique identifier assigned to a device by the manufacturer) when you use the UhuRuto application and unlike cookies, device IDs cannot be deleted.

5. **Aggregated Information:** We may publicly disclose aggregated information about our users, such as the total number of our users and their overall demographics.

6. **Legal matters:** We may disclose any information: in response to a legal request, such as a court order, or government demand; to enforce our rights or defend claims or to report or investigate illegal activity.

7. **With Your Consent:** If you consent to the sharing of certain information, including information you enter during the registration process or while using the application, we may share that information consistent with the consent you provide.

We are not responsible for the actions of any service providers or other third parties, nor are we responsible for any additional information you provide directly to any third parties. Before disclosing information to any organization, we encourage you to familiarize yourself with their privacy policy. Nothing herein restricts the sharing of aggregated or anonymized information, which may be shared with third parties without your consent.

#### **4. Information collected automatically**

When you use TeamUhuru app, we may automatically collect and store information about your computer or mobile device and your activities. This information may include your mobile device's unique ID number, your mobile device's geographic location while the app is actively running, your computer's IP address, technical information about your computer or mobile device (such as type of device, web browser or operating system), your preferences and settings (time zone, language, privacy preferences, etc.), the URL of the last web page you visited before coming to one of our apps, the buttons, controls and ads you clicked on (if any), how long you used our app and which services and features you used, and the online or offline status of TeamUhuru app.

#### **5. Information you provide**

In order to register, you will be asked to provide certain identifying information, including your phone number. In order to maximize your experience with TeamUhuru app and to provide its features and services, we may periodically access your contact list and/or address book on your mobile device. You hereby give your express consent to access your contact list and/or address book.

Whenever you voluntarily disclose personal information on publicly-viewable screens or pages, that information will be publicly available and can be collected and used by others. For example, if you post your email address, you may receive unsolicited messages. We cannot control who reads your posting or what other users may do with the information you voluntarily post, so we encourage you to exercise discretion and caution with respect to your personal information.

You may also (but are not required to) provide information about yourself (such as your gender, ethnicity, location, URL, political viewpoints, mailing address, phone number, or a biography). This information may be provided as part of the registration process, by volunteering, or responding to a survey. This information may be used by us in accordance with this policy and will be treated as confidential personal information.

Any additional image or information you provide may be publicly displayed.

#### **6. How we use your information**

We use your information to provide and improve our services, award reward points to you, make special offers, customize services for you, better understand our users, or diagnose and fix problems.

#### **7. Geo-location information**

While the TeamUhuru application is in use, we may keep track of your device's geographic location so that we can connect you to other TeamUhuru users based on your particular geographic location.

## **8. Information from users outside Kenya**

By using TeamUhuru application, you agree to the information collection, use, and sharing practices described in this Privacy Policy.

## **9. Children's privacy**

We do not allow persons under 18 to register for any service, and we do not knowingly collect any personally identifiable information from persons under the age of 18.
